Social Media Text:

Seeking SLPs working in pediatrics to complete a survey about using technology in practice! The survey takes only 10-15 minutes to complete and at the end you can be entered into a drawing for a \$100 Amazon gift card. Simply follow this link to participate: https://neu.co1.qualtrics.com/jfe/form/SV_0dG41J6RtHG81g1

Email Script

Dear Clinic/Agency,

The Speech and Neurodevelopment Lab at Northeastern University is surveying pediatric speech-language pathologists about their use of technology (mobile applications) in clinical practice.

We are asking you to share this survey with your speech-language pathologists so we can learn more about the technology SLPs are using today. The survey should take no more than 10-15 minutes for them to complete. At the end of the survey, participants will be able to enter a drawing for a \$100 Amazon gift card.

Please share the link here for SLPs to access the survey:
https://neu.co1.qualtrics.com/jfe/form/SV_0dG41J6RtHG81g1

We appreciate you sharing this and your participation. If you have any questions or concerns please feel free to contact myself, the research assistant, at Thompson.kels@husky.neu.edu or the principal investigator, Dr. Emily Zimmerman, at e.zimmerman@neu.edu

Thank you,

Dr. Emily Zimmerman
